Enhanced Skills Programme

An award-winning, industry-led programme tailored to meet the needs of jobseekers with a criminal conviction.

SUPPORTED BY THE GOVERNMENT OF IRELAND THROUGH THE DORMANT ACCOUNTS FUND

A New Beginning

Start—or restart—your career in our 52-week, free-of-charge-to-you Enhanced Skills Programme 2.

This award-winning, industry-led programme has been adapted to meet the needs of jobseekers who have a criminal conviction.

Jobs Market Advantage

Job-seekers are given the opportunity to get real commercial work experience, to upskill with industry-led training and to work in a team-based environment in Speedpak.

We also facilitate external work placements with our industry partners, all of whom are well-know companies. We use our strong relationships with these partners to promote diversity and equality in their workplaces.

This is an exciting and valuable opportunity to learn, to put your training into practice and to impress local employers.

Opportunity on Dublin's Northside

The ESP2 Programme is run by Speedpak Group with the support of business, state and community partners.

Trainees will work and train on-site at our premises in Clonshaugh Business and Technology Park in Dublin 17.

Your work experience and training on the programme will provide you with:

- an up-to-date **Reference** and **CV**
- greater **Confidence, Self-esteem** and **Job-Seeking Skills**
- qualifications in **Health & Safety, Manual Handling** and **Occupational First Aid**
- a **SafePass** and **Forklift Licence**
- skills in **Information Technology, Stock Control, Warehousing** and **Manufacturing**.

You will be supported throughout the programme by a Job Coach, On-the-job Mentors and our Human Resources team.

We will use our *Employability & Distance Travelled System* [EDTS] to track your progress and to support you as you **kickstart your career!**

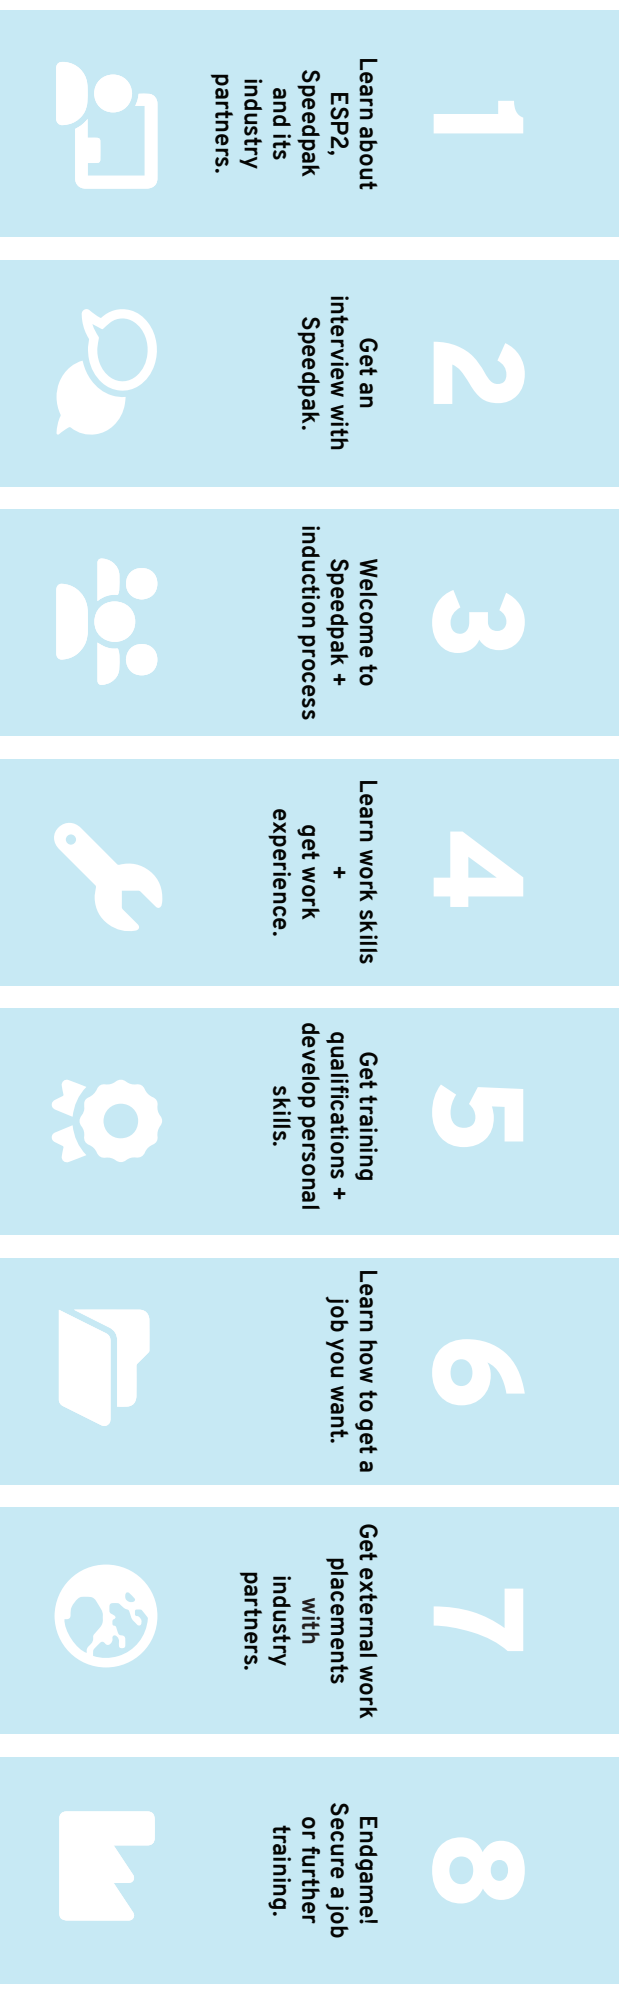

TRADING. TRAINING. TRANSFORMING.
